ARS UPDATES: October 2011

Club News:

ARS would like to re-welcome all members to experience our new look, intimate feel and our cozy environment. This new arrangement, our self help groups and recent social events has sparked the return of many long time members. Please come by and visit either site in Rome or Utica.

Welcome our new Rome Site!

Lets give a warm welcome to our new ARS site in Rome. Our Rome site is located at 195-199 W. Dominick St. Rome, NY 13440, and is open every Monday, Wednesday, and Friday from 9:30am-4:30pm. Our two group workers are Erin and Joanne and they can be reached at 272-2736.
